HISTORIC ARTISTS' HOMES & STUDIOS

ABOUT THE ALBIN POLASEK MUSEUM

Founded in 1961, the Albin Polasek Museum preserves the collection, home, studio, and sculpture garden of world-renowned Czech American sculptor Albin Polasek (1879-1965). Inspiring tours illustrate Polasek's life story of emigrating to the United States in 1901, becoming a celebrated artist, and continuing to create monumental works of art from his wheelchair after suffering a debilitating stroke at age 70. The museum also offers gallery exhibitions, cultural programs, and the annual Winter Park Paint Out Plein Air Festival. It is listed on the National Register of Historic Places and is part of the Historic Artists' Homes & Studios Program.

ABOUT THE WINTER PARK PAINT OUT

Now in its 18th year, the Winter Park Paint Out is a distinguished weeklong festival that invites 22 highly acclaimed artists to paint "en plein air," just like the 19th century French Impressionists. Audiences can watch the artists in action as they create more than 200 paintings that become part of a pop-up exhibition and flash sale. The Paint Out attracts art collectors, artists, and art enthusiasts of all ages.

The 18th Annual Winter Park Paint Out will end with a Garden Party on Saturday, April 25, 2026.
